Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #36: These are a few of my favorite quilting things: Aurifil thread (very little lint), Flower-head pins (very sharp and the flowers lay flat on my quilt), Heat 'n Bond Lite, Washable glue baste, Needle threader (showing my age here...), water erasable marker, chalk pencil, applique pressing sheet, curved basting safety pins, my sewing machine, and a finished quilt!

This time of year is usually frantic with the end of school and trying to finish last minute preparations for Spring Market. However, this year is a bit different for us. We're slowing down and waiting for our son to arrive home from Canada, taking some time to visit family and helping to get ready for the arrival of our first Grandbaby girl in August. Since Quiltricks will not be at Market this spring, we are instead offering a special: buy two patterns, get a "Little Charmer" pattern free. It's a fun and easy pattern that makes up quickly and looks great in all sorts of colorways. We hope you will enjoy it!

"Faith, Hope, Love," shown below, is our featured quiltlet this month. Originally designed in honor of my daughter's wedding, we are happy to show it in celebration of my niece, Courtney's, wedding at the end of May. May she and her husband be blessed with faith, hope, and the greatest of these... Love!

Quiltricks Trunk Show: To make it easier for you shop owners, we will send you a trunk show of our quilt samples and patterns. Email Karen for more information and to schedule a visit to your store!
