Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #38: When binding a quilt, sew your quilt label into the binding at the same time so only two sides of the label will need to be hand sewn. In addition, tuck some fabric scraps from the quilt between the label and the quilt before stitching your label on. This way, the fabric scraps get relatively the same amount of wear and tear as the rest of the quilt and you will always have the right fabric with the quilt if you ever need it for repairs.

The car is packed, the inventory is full, and we are off to Houston for Quilt Market and Festival. It is always so much fun to get to the convention center and see all the amazing quilts and find so much stimulation for the imagination. We previewed our new “Fall” and “Holiday Woolies” in our last newsletter and at a couple of local shows, but this will be their first visit to Houston and we think they will be a big hit! Of course all our “quiltlet” trios will be there as well as our big quilts, including all-time favorites, “Jeepers Creepers” and “Anna’s Rose”. To celebrate this big event, we’re offering free shipping on all patterns through November 5. Just visit our website, www.quiltricks.com to order, or visit us in Booth 1803 in Houston. It’s going to be loads of fun!
