Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #49: Does your seam ripper have a bad self image? To make it feel important, use it as a stiletto when pushing thicker pieces of fabric or binding under the foot of your sewing machine. You will both appreciate it!

Wow, it's holiday season already! I've already been in "Santa's Workshop" mode and have been sewing a few gifts, but still have more to go. I'm determined to be ahead of schedule this year. We'll see how that goes. ☺

We are celebrating "Black Friday" here as well. Starting November 26 we will have some **kits** for our quiltlet trios available: Bloomin', Dinner!, Magic's Harvest, My Favorite Things, and Signs of the Season. There are a limited number of these kits, so don't wait. We are also offering **free shipping** for all kits and patterns for one week – November 25-December 2.

There are some new things in store for the coming year, so stay tuned! In the meanwhile, have a wonderful holiday season. We're so thankful for all of you!
