Quiltricks NEWS

Stimulating imaginations of quilt tricksters everywhere

Quiltrick #52: Ever get a pedicure? Use the leftover "toe separators" as bobbin holders! The bobbin stays in place, the thread color is easy to see and the thread won't unravel.

Hi Quilters,
Quilting should be fun and a learning experience. So it saddens me that our quilting community has recently been plagued with negative postings on social media. In this era of anonymous freedom to say what you like, quilters should be leading the way to praise, teach, respect and accept each other for the beautiful work we accomplish. Be the good!
